## CLOSE AT BRIGHTON BEACH.

A Large Crowd in Attendance, but Racing not Attractive.  
New York, August 7.—Attendance on this the closing day of the Brighton Beach was very large, but the racing was not remarkably attractive. There were two good things of McCafferty's which went through and one which did not, and in each the horses were favorites. He began with Judge Morrow in the first race and when the horses went to the post Judge Morrow was held at 9 to 10 by the bookmakers. Simms had the mount, but Black Hawk took the lead and remained there to the end, with Judge Morrow in the third place, half a length behind Poor Jonathan, who was beaten by three lengths.

The next of his horses to go was in the third race, when Shadow Dance colt was held at even money with Jennie A., a second choice. Tytara and Jennie A. did most of the running to the stretch, when the McCafferty colt came through and won easily. In the fifth race Ben Lomond was heavily backed. Hardy Fox and Lost Brand made the racing, while Simms took Ben Lomond into a couple of pockets and mixed him up considerably, finally getting an opening at the head of the stretch and winning as he pleased. Best Brand struggled for a while with Jack Ross and finally concluded to be satisfied with third, although he almost lost it at the last jump. Summary:
